## Profile

---

I am a CS Graduate with an expertise in working with React making responsive and beautiful user friendly websites. Able to effectively self-manage during independent projects, as well as collaborate in a team setting. Experienced with the latest cutting edge development tools and procedures.

## Education

---

BE (Computer), NBNSOE - Pune

June 2018 - June 2022

HSC, KTHM COLLEGE - Nashik

June 2016 - June 2018

## Projects

---

Stock Market Dashboard [[Link](#)]

A dashboard to keep track of the markets, view charts and more.

Marketplace Landing Page [[Link](#)]

A responsive page to market your business online.

Pricing page [[Link](#)]

Dynamic product pricing page.

## Objective

---

My keen knowledge of React along with my ability to think innovative solutions and present them along with learning new topics will allow me to bring good value to your organization.
