Profile

I am a CS Graduate with an expertise in working with React making responsive and beautiful user friendly websites. Able to effectively self-manage during independent projects, as well as collaborate in a team setting. Experienced with the latest cutting edge development tools and procedures.

Education

BE (Computer), NBNSSOE - Pune

June 2018 - June 2022

HSC, KTHM COLLEGE - Nashik

June 2016 - June 2018

Projects

Stock Market Dashboard [*Dashboard*]

A dashboard to keep track of the markets, view charts and more.

Product Landing Page [*SunKart*]

A responsive page to market your business online.

Delivery Assistant [*Delivery Assistant*]

A delivery assistant page made using leaflet map api.

Objective

My keen knowledge of React along with my ability to think innovative solutions and present them along with learning new topics will allow me to bring good value to your organization.
